

Appendix 2.3

List of Developments for Cumulative Assessment

County	Planning Ref. No.	Description	Status	Distance
Mayo	19297	1 no. forest road access onto the local road with associated turning head and security barrier	Granted 18/06/2019	Within 2km of Windfarm
Mayo	21905	Construction of a dwelling house and domestic garage with effluent treatment system and for all associated site works	Granted 07/07/2022	Within 2km of Windfarm and on Grid Route
Mayo	22221	Retain temporary meteorological mast	Granted 5/11/2022	Within 2km of Windfarm
Mayo	21270	Construction of a new detached dwelling house, domestic garage, proposed on site effluent treatment system and percolation area and all associated site works	Granted 30/8/2021	Within 1km of Hydrogen Site
Mayo	21881	Construction of a wind turbine with an operation lifespan of 30 years, from commissioning consisting of one wind turbine with a tip height of approximately 150m, control building, new access road (approx. 240m), hardstand areas, underground cabling and all associated site works	Granted 01/02/2022	Within 5km of Windfarm
Sligo	20297	Development consisting of (1) construct a 2 storey dwelling house, (2) install a wastewater treatment system and percolation area, (3) construct a new vehicular entrance and (4) carry out all ancillary site works	Granted 9/12/2020	Within 1km of Hydrogen Site
Sligo	2137	Development consisting of the construction of a dwelling house and domestic garage, install a wastewater treatment system and percolation area and carry out all ancillary site works	Granted 1/4/2021	Within 1km of Hydrogen Site

County	Planning Ref. No.	Description	Status	Distance
Sligo	15136	Development consisting of the construction of a new dwelling house, domestic garage, installation of a proprietary effluent treatment system and percolation area, together with all associated site works	Granted 11/6/2015	Within 1km of Hydrogen Site
Sligo	2360038	Proposed construction of vintage car storage shed and yard area to the north-east rear corner of the existing house along with any other attached ancillary works (private use only).	Pending Decision	Within 1km of Hydrogen Site
Sligo	16422	Development of a grid connection from the permitted windfarm at Tawnamore, Co. Sligo (Ref: PL 21.241637) to the Sligo / Mayo county boundary on County Road L-2604-39. The development will consist of a 20kv grid connection cable extending to circa 10.4 kilometres as described below and an electricity control room in the townland of Cloonkeelaun, Co. Sligo. The grid cable will consist of a circa 2.52 kilometre section of overhead line on six-metre high wooden poles in the townlands of Cloonkeelaun, Tawnalaughta and Carns, Co. Sligo and traverse underground for circa 7.89 kilometres through the townlands of Tawnamore, Caltragh, Tawnalaghta, Cloonkeelaun and Carns, Co. Sligo. The development will also consist of underground connections, 485 metres long, from two wind turbines proposed under planning reference PL 15/466 to the electricity control room in the townland of Cloonkeelaun, Co. Sligo. A Natura Impact Statement (NIS) will be submitted to the Planning Authority with the application. A concurrent planning application will be submitted to Mayo County Council for an underground grid connection from the Sligo / Mayo county boundary to the Glenree ESB substation, Bonniconlon, Co. Mayo.	Granted 11/7/2017	Within 2km of Windfarm and on Haul Route

County	Planning Ref. No.	Description	Status	Distance
Sligo	19160	For development consisting of an amendment to the permitted grid connection (Ref. No. PL16/422). The amended grid connection will be from the Black Lough Wind Farm at Tawnamore, Co. Sligo (Ref. No. PL17/93 to the permitted control building at Cloonkeelaun (Ref. No. PL 16/422), traversing the townlands of Tawnamore and Cloonkeelaun. The development will consist of a 20kv cable extending to (a) circa 2.3 kilometres of overhead line supported by a single wooden poles, (b) approximately 240m of underground cabling extending from turbine T2 at Black Lough to the first wooden pole and (c) approximately 100m of underground cabling from the southern-most pole of the proposed overhead line to the control building at Cloonkeelaun. An Environmental Impact Assessment Report (EIAR) and a Natura Impact Statement (NIS) will be submitted to the planning authority at	Granted 18/11/2019	Within 2km of Windfarm
Sligo	22161	Development consisting of the construction of a wind turbine with an operational lifespan of 30 years, from commissioning, with a tip height of approximately 150 metres, site access road (approximately 330m), hardstand areas, underground cabling from the turbine to the existing Black Lough Wind Farm control building (in Cloonkeelaun) and all ancillary site works	Granted 20/9/2022	Within 2km of Windfarm
Sligo	21203	Development consisting of the construction of new dwelling house, domestic garage, on-site wastewater treatment system, new site entrance together with ancillary site development works	Granted 22/7/2021	Along Turbine Haul route
Sligo	20398	PP - development consisting of the demolition of existing dwelling and the construction of new dwelling house, on-site wastewater	Granted 26/2/2021	Along Turbine Haul route

County	Planning Ref. No.	Description	Status	Distance
		treatment system and domestic garage together with ancillary site development works		
Sligo	20456	Development consisting of the following: (1) 7.2m ² ground floor extension, (2) construct a new roof and raise the ridge height to accommodate a 45m ² first floor extension with gable windows, (3) construct a new porch roof, (4) install an effluent treatment system and percolation area and (5) all ancillary site works	Granted 13/5/2021	Along Turbine Haul route
Sligo	16457	Development consisting of the construction of a new extension (overall floor area = 37.5 sq.m) adjoining the existing school building. The proposed extension will comprise of a staff room/multi-purpose room (floor area = 20.0 sqm.) and adjoining entrance lobby/corridor (floor area = 17.5 sq.m). The proposed works will include minor alterations to existing floor plans and elevations, connection to existing site services and carrying out of all associated ancillary site works	Granted 23/2/2017	Along Turbine Haul route
Sligo	17483	PP - for development consisting of the demolition of an existing dwelling house and to construct a new dwelling house and garage and an effluent treatment unit and percolation area together with all associated site works and connection into existing services	Granted 26/3/2018	Along Turbine Haul route
Sligo	2097	Development consisting of the (1) Removal of existing hayshed and (2) construction of a 4 bay slatted shed with a calf creep area and underground slurry storage tank along with all associated site works	Granted 7/8/2020	Along Turbine Haul route
Sligo	21425	Development consisting of (1) construct single storey dwellinghouse and domestic garage (2) install proprietary, on-site wastewater	Granted 4/4/2022	Along Turbine Haul route

County	Planning Ref. No.	Description	Status	Distance
		treatment system and percolation area (3) carry out all ancillary site works		
Sligo	19128	Development consisting of construction of a storage shed and slatted cubicle shed with underground slurry storage tank along with all associated site works.	Granted 18/06/2019	Along Turbine Haul route
Sligo	19412	development consisting of the construction of a dwelling house and garage and a septic tank/effluent treatment unit and percolation area together with all associated site works and connection into existing services	Granted 20/2/2020	Along Construction Haul Route
Sligo	20388	Development consisting of the construction of a new single storey extension to the rear of the existing dwelling house together with all ancillary site works and services	Granted 11/6/2021	Along Construction Haul Route
Sligo	21401	Development consisting of change of use of existing agricultural fields to recreational use / training field along with the construction of a new pedestrian field entrance gate and crossing directly across the Castleconner GAA club building along with any other associated works	Granted 12/1/2022	Along Construction Haul Route
Sligo	18239	for development consisting of the construction of a dwellinghouse, a rear shed for use as a Dog Grooming Parlour with Kennels, a Wastewater Treatment System and all ancillary site works	Granted 23/11/2018	Along Construction Haul Route
Sligo	22222	development consisting of construction of a domestic garage together with all associated site works	Granted 16/12/2022	Along Construction Route from site and Interconnector

County	Planning Ref. No.	Description	Status	Distance
Sligo	19568	Construct dwelling house, domestic garage, on-site wastewater treatment system together with ancillary site development works	Granted 27/11/2019	Along Construction Route from site and Interconnector
Mayo	20880	Change of use of school building to dwellinghouse, alterations to front and rear elevations, alterations to rear roof and alterations to site entrance together with ancillary site development works.	Granted 6/10/2021	Along Construction Route from site
Mayo	19568	Construct dwelling house, domestic garage, on-site wastewater treatment system together with ancillary site development works	Granted 11/27/2019,	Along Haul & Construction Routes
Mayo	21431	Importation of inert fill soils material for agricultural improvement purposes, including all other ancillary site works and services	Granted 1/20/2022	Along Turbine Haul route
Mayo	22282	Construct new dwelling house, construct new domestic garage, construct new effluent treatment system, construct new domestic entrance off public road and carry out all required ancillary works on site	Granted 4/8/2022	Along Grid Route
Mayo	16631	Construct dwelling house, domestic garage, septic tank system and percolation area together with all associated site work	Granted 2/14/2017	Along Grid Route
Mayo	20999	Construction of a dwelling house and domestic garage with effluent treatment system and for all associated site works	Granted 4/19/2021	Along Grid Route
Mayo	211211	Construction of a two storey dwelling house, domestic garage, septic tank, percolation area and ancillary works	Granted 1/20/2022	Along Grid Route
Mayo	16506	Demolition of non-habitable dwelling house and the construction of new dwelling house, on site wastewater treatment system together with ancillary site development works	Granted 01/12/2016	Along grid route

County	Planning Ref. No.	Description	Status	Distance
Sligo	2277	Development consisting of demolition of existing dry store sheds and construction of new slatted shed together with all ancillary site works and services	Granted 27/05/2022	Along Haul & Construction Routes

Wind Farms and Wind Turbines within 20 km of the Wind Farm Site

Wind Farm	Status	No. of Turbines	Distance from the Proposed Development
Carrowleagh Wind Farm	Operational	13	Adjacent wind farm
Carrowleagh Wind Farm Extension	Operational	4	Adjacent wind farm
Stokane Wind Community Led Wind Energy Project	Permitted	1	1.09 km north
Black Lough Wind Farm	Operational	6	1.3 km north-east
Bunnyconnellan East Turbine	Permitted	1	5 km south
Bunnyconnellan Wind Farm	Operational	12	5 km south
Kingsmountain Wind Farm	Operational	10	12 km northeast
The Dunneill Wind Farm / Kingsmountain 2	Operational	13	11 km northeast
Lacken Wind Farm	Operational	3	12 km northwest
Killala Community Wind Farm	Operational	6	17 km northwest
