Dear Sir.

Re: Proposed windfarm development in Bonniconlon, Co. Mayo and hydrogen plant in Castleconnor, Co. Sligo.

In our experience as an insurance broker with over 25 years history arranging insurance for residential, commercial and industrial property both in the UK and Ireland, it is our view that the houses located near the proposed hydrogen plant site in Carraun, County Sligo will be able to obtain private home insurance at normal market rates.

Regards

Kieran Kennedy  
Director
